Theatre School

Welcome to Create Theatre School!!!

Create Theatre School runs at The Dance Studio on a Saturday afternoon between 2 and 5pm for students aged 6-16 years old.

Create is a **flexible** theatre school. Drama, Singing, Dance - it's your choice! If you want to come and do all 3 classes that's great, but if you only want to do drama, or dance or drama and singing or any combination- that's great too.

Drama - In drama children will be encouraged to use their imagination in drama games which will be used at the beginning and end of sessions. Mime, improvisation and script work will all be explored with the emphasis being on fun and confidence building. Children will also be encouraged to use good diction and voice projection.

Singing - Children will warm up their voices with some fun vocal exercises. They will then learn a variety of songs ranging from pop to songs from musicals. Children will have the opportunity to sing solo or in small groups for students who want to.

Dance - Each class will start with a funky warm up to get children ready for the main routines. Children will have the chance to learn routines to the latest chart hits. They will also dance to favourites from musicals and films.

Performances - We perform an annual musical and performances are very important to us; theatre, costumes, lights, mics and even some pyrotechnics! We also perform at local festivals and events throughout the year.
